Employees are advised that use of this form or other reports of unsafe conditions or practices are protected by law. It is illegal for the employer to take action against an employee in reprisal for exercising rights to participate in communications involving safety. The District will investigate any hazard report or safety question from employees as required by the Injury and Illness Prevention Program Standard (Title 8, California Code of Regulations §3203). Students and District visitors may also report unsafe conditions or practices without fear of reprisal.
